Financial Policy Agreement

Golden Gate Physical Therapy submits all service claims to insurance as a courtesy to our patients. It is your responsibility to understand your plan's coverage and benefits for physical therapy. Your insurance company and our office will send statements informing you of your obligation. In an effort to continue offering a high standard of care, Golden Gate Physical Therapy will collect a discounted rate of **$125** /per visit should any claims be denied by your insurance.

Please know that a medical necessity review may be performed by your insurance for all physical therapy treatments rendered. Denial of coverage may be due to treatment of chronic pain conditions or maintenance care.

Services your insurance may deny coverage for:
- Physical Therapy Evaluation
- Therapeutic Exercises
- Manual therapy techniques
- Modalities (i.e. heat, ice, electrical stimulation, ultrasound)

Reasons why your insurance may deny coverage:
- You may have maxed your plan year/lifetime PT benefit
- You may have a plan deductible
- Your visits may be deemed not medically necessary by your insurance
- Your coverage may have terminated

You are responsible for all co-payments, co-insurance and deductibles. Co-pays/Co-insurances are due at the time of service. Please note that what we collect in the office may only be a ***portion*** of your balance, which is determined by your insurance after processing the services provided.

I have read the information above. I understand that I am ultimately responsible for any balances with Golden Gate Physical Therapy.
